LANGLEY & NORMAN would inform the citizens of Newport and vicinity, that they have been appointed agents for GROVER & BAKER'S CELEBRATED SEWING MACHINES, and that they are now prepared to furnish Manufacturing or the Improved Family Machines, at Manufacturers prices.
We would invite especial attention to the IMPROVED SHUTTLE MACHINE, it being very simple, not liable to get out of order, uses a straight needle, runs with great speed, and makes the stitch alike on both sides. Though made expressly for TAILORS AND SHOE BINDERS, it is found to be as well, if not better, adapted to the general work of a family as any machine that has yet been invented. A NEW MUSIC BOOK,
OR THE
New York Musical Review,
FOR NOTHING!
We have in press, and shall publish in October, "ASAPH, or THE CHOIR BOOK;" a new collection of Church Music for Singing Schools and Choirs, by Dr. Lowell Mason. Dr. Mason's last similar work, published in 1854, reached the enormous sale in its first year, of over 54,000 copies, which is, we are confident, the largest sale ever enjoyed, in its first season, by any Church Music Book by a single author. The work now in press will embrace *nearly all new matter,* culled with great care from numerous sources, such as it is believed will be of ... higher interest to Choirs and Singing Schools. Its Singing School Department is more extensive and complete than in any previous work, being, indeed, a complete work in itself, and forming an extensive collection of secular music, the words, as well as music, to which, are nearly all quite new. Retail price, one dollar.
We publish, also, THE NEW YORK MUSICAL REVIEW, a fortnightly journal of sixteen quarto pages, including four pages of choice music in each number, with twelve pages of reading matter, including frequent articles from the leading musicians of the country, with all the musical news, &c., &c. Subscription, $1,00 per annum.
In view of the present hard times, and with the purpose of obtaining a wide circulation for specimen copies of Dr. Mason's new work, we are induced to make the following liberal offer, viz.: To every one sending us, before 1st November, one dollar, (the price of subscription to the Review,) we will furnish the paper for a year, and also, as soon as issued, a copy of Dr. Mason's new work above announced, thus giving two dollars' worth for one. Those desiring the book sent by mail, must inclose twenty-four cents, to pay postage, in advance.

In view of your past generous patronage, I have now at my store, 130 Thames St., a large and well assorted stock of Books and Gifts, suitable for the Holidays. And whereas, it would be utterly impossible for me to enumerate the titles of books suitable for all ages and conditions, to name thousands of elegant and appropriate presents, and whereas, the columns of this paper are inadequate to state a thousandth part of what might be said, I, A. J. WARD, Agent, do issue this my Proclamation, and do agree to sell good and cheap to the citizens and strangers of Newport and vicinity, until this Proclamation be annulled, and you are all invited to my Headquarters, No. 130 Thames St., to test the truthfulness of this my Proclamation.

AMERICAN AND FOREIGN PATENTS.
R. H. EDDY,
SOLICITOR OF PATENTS,
Late Agent of U. S. Patent, Office, Washington, (under the Act of 1837.)
76 State Street, opposite Kilby Street,
BOSTON.
AFTER an extensive practice of upwards of twenty years, continues to secure Patents in the United States; also in Great Britain, France, and other foreign countries. Caveats, Specifications, Bonds, Assignments, and all papers or Drawings for Patents, executed on liberal terms, and with despatch. Researches made into American or Foreign works, to determine the validity or utility of Patents or Inventions—and legal or other advice rendered in all matters touching the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded at Washington.
The Agency is not only the largest in New England, but though its inventors have advantages for securing Patents, of ascertaining the patentability of inventions unsurpassed by, if not immeasurably superior to any which can be offered them elsewhere.—The Testimonials below given prove that none is MORE SUCESSFUL AT THE PATENT OFFICE than the subscriber; and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe, and can prove, that at no other office of the kind are the charges for professional services so moderate. The immense practice of the subscriber during twenty years past has enabled him to accumulate a vast collection of specifications and official decisions relative to patents.
These, besides his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining Patents.
All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors
TESTIMONIALS.
"I regard Mr. Eddy as one of the *most capable and successful* practitioners with whom I have had official intercourse.
CHARLES MASON,
Commissioner of Patents
"I have no hesitation in assuring inventors that they cannot employ a person *more competent* and *trustworthy,* and more capable of putting there applications in a form to secure for them an early and favorable consideration at the Patent Office."
EDMOND BURKE,
Late Commissioner of Patents
Mr R. H. Eddy has made for me THIRTEEN applications, on all but ONE of which patents have been granted, and that is *new pending.* Such unmistakable proof of great talent and ability on his part leads me to recommend *all* inventors to apply to him to procure their patents, as they may be sure of having the most faithful attention bestowed on their cases, and at very reasonable charges" JOHN TAGGART.
During eight months the subscriber, in course of his large practice, made on *twice* rejected applications SIXTEEN APPEALS, EVERY ONE of which was decided in *his favor,* by the Commissioner of Patents.

A CHALLENGE AND A REWARD
$500 REWARD.
I BEG LEAVE to inform my friends and the community, that from recent arrangements made by me, I NOW offer the above reward in good faith, which shall be paid in cash to any chemist or physician, of good and responsible standing in this State, who, on due analysis and satisfactory evidence, can find anything in the BRANDIES, WINES, GINS, &c., &c., NOW for sale by me as pure, other than is found in all PURE, GENUINE and UNADULTERATED ARTICLES.
Knowing, from experience, that our citizens in general labor under the impression, with good cause, that pure Liquors cannot be had, I, after much pains, studious investigation, and from the reliable source with whom I NOW contract for my supplies in these articles, do stake my reputation as a man, my integrity as a merchant, that if the liquors NOW sold by me as pure "are not so," then none can be had from the vineyards in France, or from any part of the world. As a proof of my sincerity, I challenge chemical contradiction, and invite all to come and test for themselves, when they will learn that NOW, "if never before," pure liquors can be purchased in Newport, by bottle or measure, for medicinal or family purposes, as cheap as in any other place in these United States.
WM. ALDERSON,
Newport, R. I.
N. B.—The main inducement for all to give me a call is, that my figure for the genuine article is rather less, than more, than is NOW charged for the handsome labeled bottled compounds so extensively sold all over the country a13

RHODE ISLAND BATTLE SONG.

Arise! be free O Man, dare to be free,
Maintain your sacred right your liberty,
Unsheath the sword, fight manfully or die,
To battle heart to hand, to battle fly.

Our Country must be saved, O! save it now,
Before no haughty tyrant let us bow,
To arms, to arms, march forward face the foe,
Forward to battle, let us bravely go.

Our fathers fought, when souls of men were tried
With fervent zeal, and patriotic pride
A mighty host of heroes, dared be free,
And planted here the staff of liberty.

There heavenly freedom rears her banner high,
And here the oppressed of every nation fly
The Stars and Stripes, throughout our land's we see,
An emblem of that glorious victory.

List to the call, Rhode Island sire and son
Haste, forward haste, the conflict has begun,
God save our Country, strike the fatal blow
And lay the haughty rebel tyrant low.

Mid scenes of death ne'er let thy courage fail,
Freedom must reign, and liberty prevail,
Oppression fall beneath her sovereign sway,
And right, and peace, and Union, win the day.

To battle haste, the victory is ours,
God gave us light in battles darkest hours,
Unfurl the flag, Rhode Island, brave and true,
The stars of victory will light us through.

Go onward haste the war will soon be o'er,
The roar of cannon, will be heard no more,
Than shall our song of glorious triumph be,
Our country is *free,* our country is free.

PROVIDENCE, Feb. 22, 1862.

To the News:—A month or so ago, we looked forward to this day of celebration of the birth of him who was sublime in his patriotism, just in his ways, honored by all, revered by his countrymen with never-ceasing reverence, with fear and forbodings. It did seem as if the North with all her hosts of men, her teeming wealth, her bounding and immense spirit for order and truth, and well directed government, would be obliged to submit to the audacious and wicked rebellion, and be obliged to compromise in its favor. Our best plans had failed, our best Generals had become inert, our best troops seemed impatient and heedless. Gloom was upon the people.—The prospect of a long and tedious war, or an ignominious surrender of our rights and principles, seemed before us. Look what a de we would, we could discover no sunshine, no bright and blooming places. We were wrapped in a pall—perhaps were loosely by some, for many hearts never despair, never stop smiling and being merry—and a great victory was needed to arouse, and make us men again. How could we celebrate the birthday of him who is our model of disinterested love for country with propriety, with the *feeling* that the things he fought to establish were in danger of being destroyed?

But now, what a change! The whole face of affairs wears a cheerful look. Victory upon victory is poured on us swift and flooding. We have most abundant confidence in our leaders, our soldiers, in the plans and conduct of the war, in the prospect of a speedy crushing of the rebellion. A week has cut off all our melancholy and *long-faciidness*. We have become sprightly and happy, and could almost caper and frisk like lambs. A new stream of earnest feeling pours into our souls, and thoroughly awakens us. It is like the stimulus of wine, though of an abiding nature, unlike such stimulus. [illegible] in the other principal cities of the North—strong, glorious North!—Providence puts on her best robe to-day, sends out her flags to the wind, booms out her cannons, enlivens the streets with military parades, to do honor where honor is due, and to let out the patriotism and intense feeling caused by the news of Union victories a few days ago. And as I write, the music of *rejoicing* parties falls on my ear. It sounds with a new significance to-day in the state of the country. It speaks of our love for truth—O, how gloriously it speaks of our love of liberty, too! It is so earnest of what we are—*true yet, firm to good principles, men,*—American men! with our nationality better than before.—Let us hope on strongly, for the end of war cometh, it appears now on the borders of our vision, and we shall be a new and better nation when we have conquered peace and prosperity MARK MERCC.

A SECESSION SERMON.

SUNDAY, April 21st.—A most delightful day (and I trust our last on this Island, under present circumstances). A small party set out for a walk to the village, and in passing some beautiful (but untenanted) villas, whose gardens of sweet roses and Flora's choicest gems, abound with nectar, we suddenly find ourselves drawn by some unseen power or virtue, clear over the high fence—we are in *Paradise Lost*,—the sweet odors we inhale almost mesmerize us—but, alas! we are all *Adams*, and our joys are but transient. What are all the joys on earth, *minus* WOMAN? If a man wishes to become lovesick, only let him sleep on a bed of roses alone, and if he does not dream about fairyland and—something else,—it's a caution. Having got jolly drunk on the fragrance of a thousand flowers, and our minds prepared for something spiritual and unctious, most adapted to our conditions,—the butterflies having all retreated to the city,—we ramble on and finally reach the Moultrie House, a capacious summer hotel, (now a barracks for soldiers,) here we find the Rev. Prof. Darnwell preaching to a mixed medley of volunteer soldiers, (not a solitary specimen of the fair sex to embellish the novel and ominous scene, was present.) Prof. B. is from Columbia College, and is attached to the Columbia Cadets, a gallant corps, (students,) and has volunteered to accompany them on the field of battle, and of course administer to their spiritual wants, &c., &c. His discourse was very appropriate, dressed up, and delivered in an impressive style, in fact it made some impression on me, (being the first sermon I have heard since coming to Charleston,)—"like bread cast upon the waters," &c.

22d, p. m. At last we are to be relieved. Merrily, oh! grateful hearts go pit-a-pat with emotions of joy, in anticipation of meeting and greeting kind friends, lovers, &c., *poor little me* is quite an exception. Harness up, gaily, and off to the wharf to the tap of the drum. Very hot, the sweat rolls off in profusion,—dusty,—mud above ankles, and a cloud in our eyes,—a fair specimen of marching, and—who wouldn't be a soldier.

23d. Sick as the mischief.

24th. Do., do.

25th. Convalescent—try to get a situation as drill—fidgety and nervous.

26th. Very industrious—writing—sewing on buttons.

P. M. Have been eating the washerwoman with a vengeance—just got on the lines 7 handkerchiefs, 4 towels, 4 prs. socks. Later—Cleaned rifle and side arms—mended knapsack, and am just going off to the cobbler to have boots repaired,—who wouldn't be a soldier.

The next chapter which we shall give from our Rebel hero's Journal, shows him still more thoroughly rebelized, and en route to meet the invading *Yankees* on the sacred soil of "Old Virginny."

LOCAL NEWS ITEMS.

RESPECT TO THE MEMORY OF HON. PELEG CLARKE.—The funeral of this much beloved citizen took place yesterday morning. We present herewith a copy of Resolutions, passed by the Board of Directors of the Redwood Library and Athenæum, February 21, 1862:—

Whereas, The tidings have fallen suddenly and sadly on our hearts of the death of one of our members, Hon. Peleg Clarke, who had for many years been a warm and actively devoted friend of this Institution, cherishing it among the dearest objects of his care and ever thoughtful for its welfare, therefore,

Resolved, That we, the Directors of the Redwood Library the Athenæum hereby express our sorrowing submission to the will of the allwise disposer, who has taken our late colleague to himself, that we beg to offer our tender sympathies to his sorely bereaved family. And further,

Resolved, That we will, as a body, attend his funeral.

Resolved, That the flag on the Library building be displayed at half-mast on the day of the funeral.

Resolved, That a copy of these Resolutions be transmited to the family of the deceased.

MASONIC.—The funeral of Hon. Peleg Clark was solemnized yesterday, at 11 o'clock, by the Masons. Preliminary services were performed at the Masonic lodge under the direction of John W. Davis, Esq., Worshipful Master. Past Masters Gray, Chase, Hildreth, Gould, Townsend and Mc Gregor were appointed and acted as pall bearers.

The services at the house, before the moving of the funeral were performed by Rev. Dr. Thayer,—at the grave by Rev. Mr. Titus, Chaplain of the Lodge. The Artillery Company attended the funeral as mourners.

A MUSICAL TREAT.—We were indebted to Rev. O. S. Prescott, Pastor of Trinity Church in this city for an opportunity to hear some wonderful musical prodigies from the "Boy Choir" of Trinity Church N. York, a few days since. The Director of Music in that Choir. Dr. Cutler has charge of the choir of Old Trinity and has commenced the tuition of some dozen lads whom he feels confident to be soon able to make superior choristers. Dr. Cutler's system of teaching appears to be very perfect and the musical attainments and voices of the boys from his New York Choir are superior to anything of the kind we ever have heard.

THE GALE.—We have been visited with a very severe gale, since last evening at [illegible] severely cold weather. No casualties of much importance have resulted therefrom with the exception, that a portion of a chimney on the house corner of Thames Street and Swinburne, Peckham & Co's., Wharf was blown off, together with a piece of lightning rod from Messrs Caswell, Mauk & Co. building on the same street.

A lady, name unknown, is said to be indebted to the severe cold for a foot partially frozen this morning.

THE ATTENTION OF FARMERS is called to the advertisement of the Lodi Manufacturing Co.'s Poudrette. Nothing is of more importance than to know where to obtain the best fertilizer at the lowest price. This company manufacture all the night soil from the City of New York into a dry inodorous powder, and at a price far below any other fertilizer in the market. They have been in successful operation for 22 years, with a constantly increasing demand, which is a sufficient test of the value of their Poudrette.

A SURPRISE.—The fair members of the Atlantic Lodge, S of T., of this city, made a very pretty surprise party for the benefit of the Association, on the eve of Washington's birthday, the gentlemen being entirely "taken in and done for" by the sudden appearance of a bountiful supply of refreshments. After the feast of the body, came the "flow of the soul," between which a very pleasant evening was passed. The society, we are glad to learn, are doing much good this winter, and have been joined by many who wish to correct the "error of their ways." On next Friday evening they propose to give one of their pleasing public festivals.

SPORTS OF THE SECOND RHODE ISLAND REGIMENT.—Lieut. William G. Turner has kindly remitted to us, by mail, a programme of the proceedings at Camp Brightwood, on Washington's Birthday, which we should furnish our readers entire were it not now a little late in the day.—Hon. Wm. P. Sheffield, of this city, delivered an address on the occasion.

CONSTITUTIONAL UNION CAUCUS.—At the Caucus held by this party at the State House, last evening, the following gentlemen were elected delegates to attend the Convention in Providence:

Benjamin Finch, Pardon W. Stevens, John Eldred, Andrew Robeson, Jr., John G. Weaver, Wm. C. Cozzens.

The meeting then adjourned, without transacting further business.

Court of Justices.

S. Gladding vs. Zion Church, continued on motion of defendant's council.

Benj. Freeburn vs. Arthur Bronson.—Called and defaulted. The default removed upon defendant's council, and the case continued under the rule.

RETRIBUTION.—The fact that Capt. Dixon, the rebel chief of artillery and engineer, who constructed Fort Donelson, was killed in the bombardment of Friday, in one of his own batteries, bears the odor of retribution.

FROM THE FOURTH R. I. REGIMENT.

ON BOARD STEAMER EASTERN QUEEN, off Roanoke Island, Feb. 10, 1862.

DEAR NEWS.—We have just arrived on board our good steamer once more, and although we were all glad to go ashore, we were also glad to get back again.

We have had three days of pretty hard work the details of which I suppose you will get in the newspapers better and earlier than I can forward them to you. The result is a glorious victory, but it was severe on us as it rained nearly all of the time we were on shore.

I propose to give in as few words as I can an account of our doings. Feb. 5, we started to run up the Sound. It was a splendid day and the fleet made a formidable appearance. Our progress was necessarily slow as each of the steamers had two or three vessels in tow. We made twenty miles and came to anchor at half-past six o'clock. Started early next morning in a fog and came to anchor at one o'clock about eight miles from Roanoke. A few gun boats made a reconnoisance and reported ten rebel gunboats and seven schooners under their battery. We laid at anchor all day and it rained all day.

Friday the 7th. All are stirring. At 10 o'clock all are ready and the gunboats are advancing as well as the transports.—At 11 o'clock our men were ordered on deck all prepared for work. At 11 1-2 o'clock the action commenced, the batteries on shore opening upon our gunboats soon the action became general. We were on deck watching the shot as they struck. Directly our shells set their barracks on fire but they fought well and made some good shots. At 4 o'clock we were ordered on board the little steamer Phœnix, and made for shore some three miles below the battery. The landing was horrible, marsh and mud knee deep. By 12 o'clock at night the troops were all landed. We put out pickets and prepared to bivouack in an open cornfield our covering one of Uncle Noah's old fashioned rain storms. All hands being wet and cold, of course the night was passed very unpleasantly.

Daylight found us all in line. The First Brigade moved off at once and we soon heard the music commence. The ball was opened at 7 o'clock, at 9 1-2 o'clock the Third Brigade was ordered to advance and the Fourth Regiment moved into the woods. As we marched along the path through the woods we met the wounded being brought to the rear. It was rather a tough sight for such of our men as viewed it for the first time, but they resolutely pressed on, presently we came on to quite a squad of poor fellows in awful shape. We had gotten afoul of one of those accursed masked batteries in a well-chosen position. The Massachusetts 23, was plugging away at them and we were order-battery.

The swamp was perfectly awful. A great portion of the way was middle deep in mud and water, so that we could hardly pass through it. As we neared the battery we heard a shout and found the 9th New York Zouaves, were making a charge on the battery. They went in with a terrible yell and planted the Stars and Stripes, on the Fort. We emerged soon after from the swamp after a tremendous wallow. If those Zouaves had held back a little while the Fourths would have raked the rebels fore and aft. As it was we took their whole fire as we passed the open space before the battery but thanks to a kind Providence none of our brave boys were wounded. A twig was cut off between my sword and face and Lieut. Baker of Company D had a bullet strike his blanket rolled on his back, the ball following out as he took down the blanket to examine it,

We halted a moment to form as the men came out of the swamp, then passed through the battery in pursuit, soon Gen. Burnside came up and we were ordered to go with him down to the battery which had given our gunboats so much trouble the day before and had fired the last gun. We proceeded cautiously throwing out skirmishers, shortly the Fort was in sight and we started "double quick" and had the pleasure of being the first "Yankees" to enter the work. Our flag was reared on a staff which we found, and then three times went up for Gen. Burnside and the good old flag. All around were strewn trunks and knapsacks, and soon the boys were seen with various trophies. Many a hearty laugh was raised over "Secesh" letters, in which they expressed their confidence of being able to whip the "Yankees" if they should come to Roanoke.

The next day the men having nothing but salt meat and crackers, and that being nearly exhausted, permission was given to forage for fresh meat and soon the woods resounded with cries of the wounded and dying, trees were adorned with bodies hung up by the heels, frying pans were in motion, the day being spent in such delightful occupation in looking around and "taking an account of stock," altogether we found that we had made a pretty good beginning if we had been some time about it.

The following day we were ordered to re-embark but owing to a want of transportation we did not get aboard until dark the men glad as they were to get ashore were more so to be afloat again. We had three days of the toughest soldiering I ever experienced beating even *Bull Run*.

In order to reach the mail I must close this hasty letter. We soon go forward again.

P. S. I send you a sketch of the Island where we landed, bivouacked, waded, stirred the bog &c., I represent by heavy lines our march when we turned in the woods to flank the battery, the swamp was the most dense I ever was. The most of the way we were up to the "middles," in the mud and when we came out in the space in front of the battery we had to ford a small stream. All this while the Massachusetts 23d, were plugging into the battery in front and finally the Zouaves made the charge which was wild enough. The space in front of the battery was covered with stumps of trees and bottom mud and water so much so that the men would slump in and fall up again and charge on.

B. F. Jr.

I wrote amid the direst confusion, and and necessarily, very disconnected which you must excuse. It is a common opinion, that to the victor belongs the palm. The New York 9th may receive the credit of that charge upon the battery, but it was taken to all intents by the Massachusetts 23d, who had been fighting it hard, for more than hour, and had suffered severely. To them, belongs the palm. The Fourth Rhode Island had come up too, manfully, in face of the battery, exposed to its fire, and filed off to flank it. Seeing this they (the rebels) ran; and just at this time the Zouaves made the charge.

One of my Company found a haversack in Fort Barton, belonging to the historical Company F with which Newport is somewhat acquainted. It was taken at Bull Run, and to me is the most interesting trophy of this fight. He presented it to Col. Tew, and the Colonel has sent it to Sergeant Sherman, who can tell by the number, to whom it belonged. We should like to know whose it was. B. F. Jr.

GENERAL ASSEMBLY.

JANUARY SESSION—AT PROVIDENCE

Senate.

MONDAY, Feb. 24.

The Senate met at 11 o'clock, his Excellency the Governor in the chair.

Mr. Potter, from the Committee on the Judiciary, who had been instructed to ascertain and report what further legislation was necessary in relation to the settlement of the boundary line between the States of Rhode Island and Massachusetts, called up from the table the act previously reported by him, regulating suits of law, quieting possessions and establishing titles of land and property affected by said boundary line, and for other purposes.—It was read, adopted by sections with amendments, and passed.

Mr. Cooke submitted a resolution, which was adopted, providing for the final adjournment of the General Assembly on Friday, the 28th inst.

Mr. Finch, of Newport, after a few eloquent remarks in eulogy of Mr. Peleg Clark from that city, a member of the House of Representatives, moved "that as a mark of respect for the deceased, the Senate do now adjourn." The motion was adopted, and the Senate adjourned till to-morrow morning at 11 o'clock.

House of Representatives.

On motion of Mr. Van Slyck John M. Francis Esq., was elected Speaker of the *protem*.

Mr. Holmes of Providence presented the petition of the Prov. Marine Corps of received, read and referred to the Finance Committee.

Mr. Blake, of Bristol, gave notice that on to-morrow he would call up the resolution which was previously introduced relative to the militia.

Mr. Cozzens, of Newport, announced the death of Peleg Clarke, Esq., member from Newport, and rendered the following appropriate tribute of respect for the deceased:

MR. SPEAKER:—I rise to perform a most painful duty in communicating officially to this House the sad intelligence of the death of an esteemed and honored colleague, Peleg Clarke, Esq., a Representative from the city of Newport, who expired on Thursday evening last at his residence in Newport, after an illness of a few days of congestion of the lungs. Mr. C. was in the 67th year of his age, and has long been classed among our substantial and most respected citizens. Of a naturally warm and genial disposition, he was a kind and affectionate husband, an indulgent father and devoted friend. But he has passed away, and the places that have known him so long, shall know him no more forever. He was highly appreciated and honored by our whole community for his kindness, his uprightness, his goodness of heart. His sudden exit from our midst, fills us all with sadness, and his colleagues, the Representatives from Newport, deeply feel his loss. But one short week has passed since he occupied his seat in this House and was daily with us in our duties here, seemingly with as good a prospect for a long life as any in this Assembly. But, Sir, in the Providence of God he has been suddenly summoned to his eternal home, thus reminding us, Mr. Speaker and members of this Legislature, of our own mortality, and the necessity incumbent on us to be prepared when the summons shall come, to render up our account.

This, I believe, Sir, is the only case of the death of a member of the Legislature representing the city of Newport, for upwards of a hundred years, occurring during the session.—So long an exemption from such a dispensation in so large a representation as that from Newport, is cause for gratitude, and should teach us to bow in reverence to such infinite goodness.

Mr. Speaker, while I am now speaking, the funeral obsequies of our departed friend are being solemnized in his native city, and although we cannot join in the solemn services with the Ancient and Honorable Artillery Company of Newport, of which he was long a member and Commander—the Masonic Fraternity—the Redwood Library Association—in all of which he took a lively interest, together with his sorrowing relatives and friends, who will soon follow his remains to their last resting place, may we not show our respect for his character and our sorrow for his death by such action on the part of this House as has been customary on similar occasions.

Whereas, This House has heard with sincere regret, the sudden death of one of its members, Peleg Clarke, Esq., a Representative from the city of Newport;

It is therefore Resolved, That we offer our tender sympathies to the sorrowing family and friends of our late respected and esteemed associate who has been so suddenly taken from our councils.

Resolved, That in this dispensation of Providence, we bow with meek submission to the Almighty disposer of events, in whose hands are all our destinies.

Resolved, That as a mark of respect to our late colleague, this House will now adjourn.

Resolved, That the Clerk of the House furnish the family of the deceased with a copy of these resolutions and that they be entered upon the records of the House.

Messrs Updike, of South Kingstown, and Blake of Bristol, supported these resolutions in brief and appropriate remarks in testimony to the estimable character of the deceased, in public, private and social life.

The resolutions were then unanimously adopted, and the House adjourned.

COAL OILS.—The New York correspondent of the Boston Commercial Bulletin says:

"The Kerosene and Coal Oil trade is very much depressed, the supply being largely in excess of the demand. The refined oil now sells at from 28 to 30 cents, which at the present rate for crude stock, will not pay a profit to the refiners, and the works in this vicinity are being very generally suspended. Some parties are buying up and storing large quantities of the manufactured oil, in anticipation of an excise duty of ten cents per gallon, being levied upon the manufacture by the new revenue act about to be passed upon by Congress. Enormous quantities of the article are stored in this vicinity, and the receipts of both crude and refined oil from the wells and Western factories are very heavy."

A Strange Story. The Washington *Republican* states that the soldier (member of a New York regiment) who made a statement in regard to the alleged suspicious conduct of Gen. Stone, lodged, a few nights ago, in that city. During the night his room was burglariously entered, and he was ferociously attacked by a midnight assassin, who was compelled to escape by the timely arrival of a superior force, which the assailing party did not expect to encounter

WAR NEWS.

INAUGURATION OF JEFF. DAVIS.

NEGOTIATIONS FOR A GENERAL EXCHANGE OF PRISONERS—BURNSIDE'S OPERATIONS.

Baltimore, Feb. 24.—The Old Point Boat has arrived. She left there yesterday. She brings 14 released officers, including Col. Wood of the 14th New York Regiment, wounded at Bull Run; Col. Lee of the 20th Massachusetts, taken at Bull's Bluff; Col. Coggswell of the Tammany Regiment, and Col. Keeffer of Barker's Regiment.

Col. Wood was paroled and had the liberty of moving about the city of Richmond previous to leaving. He was at the inauguration of Jeff. Davis and says there was no enthusiasm whatever. Hardly a cheer could be raised.

Col. Lee says that just before leaving on Saturday evening he was taken aside by a distinguished officer of the Confederate government, who privately assured him that an official dispatch had just been received of the fall of Nashville.

Fortress Monroe, Feb. 23.—The Adelaide arrived last night with the balance of the Sixth Wisconsin Regiment, and conveyed them to Newport News to-day. The Georgiana arrived to-day. Both return to Baltimore to-night.

Gen. Wool, with Col. Cannon and Major Jolles of his staff, went with the steamer Adelaide this morning, under a flag of truce, to meet Gen. Howell Cobb off Craney Island, for the purpose of opening negotiations for a general exchange of prisoners. They were met by the rebel steamer Selden. Gen. Wool stepped aboard the latter, when a consultation of about an hour occurred between the Generals. The result is unknown.

[illegible] was commenced being laid at 2 1-2 o'clock to-day. Communication is had between the steamer and General Wool's headquarters. Everything was progressing satisfactorily up to 4 o'clock this afternoon when Mr. Heiss telegraphed he had proceeded about five miles. No doubt the line will be successfully laid, and if the weather is favorable communication will be open to-morrow forenoon.

The steamer George Washington left this morning for James river to receive about three hundred and ninety released Union prisoners. She had just returned —o'clock. They go to Baltimore to-night. Among the released prisoners are the crews of the schooner Ocella, captured in the gulf on the 1st of November, and the brig Elsinore. The largest number of the prisoners belong to the 1st California and Tammany regiments captured at Ball's Bluff. There are no Union prisoners at Richmond now.

A dispatch, dated Norfolk, 21st, says the Federal forces again ascended the Chowan river, yesterday, to Winton, with several gunboats and a large number of troops. The rebels opened a heavy fire upon them. The Yankees landed and burnt the town. The Southerns retired. Our loss is said to be two men.

OPERATIONS ON THE CHOWAN RIVER.

THE TOWN OF WINTON DESTROYED.

Baltimore, Feb. 24.—The Richmond *Dispatch* of Saturday has the following:

Suffolk, Va., Feb. 21.—Capt. Nicholas, of the Petersburg Artillery, arrived here this afternoon from Winton, where he had been stationed with his battery. Yesterday he was shelled out by the Yankees. They had seven steamers, all of which passed up the river. Capt. Nicholas has his horse shot. Two of his men were wounded. Winton is in ashes. Our troops retired to Murfreesboro.

THE NEW YORK IRON-CLAD GUNBOATS.

Washington, Feb. 24.—Ten millions of dollars is the amount appropriated by Congress for the complete construction and equipment of iron-clad vessels for river, harbor and coast defense. The Navy Department invites propositions, but furnishes no plans, leaving them to the contractors in order to develop the latest geniouses in designs best calculated for effective purposes.

"COPYRIGHT SECURED."
GREAT INDIAN REMEDY
For Females.
Dr. Mattison's Indian Emmenagogue.

This celebrated Female Medicine, possessing virtues unknown of anything else of the kind, and proving effectual after all others have failed, is designed for both *married and single ladies*, and is the very best thing known for the purpose, as it will bring on the *monthly sickness* in cases of obstruction, from *any* cause, and after all other remedies of the kind have been tried in vain.

OVER 2000 BOTTLES
have now been sold without a *single failure*, when taken as directed, and without the least injury to health *in any case*. ☞ It is put up in bottles of three different strengths, with full directions for using and sent by express, *closely sealed*, to all parts of the country.
PRICES—Full strength, $10; half strength, $5; quarter strength, $3 per bottle.
☞ *Remember! This medicine is designed expressly for* OBSTINATE CASES, *which all other remedies of the kind have failed to cure; also that it is warranted as represented* IN EVERY RESPECT, *or the price will be refunded.*
☞ BEWARE OF IMITATIONS! None genuine and warranted unless purchased *directly of Dr. M., or at his office*, rear of No. 28 Union Street Providence, R. I.

Dr. Mattison's Diuretic Compound,
For Acute and Chronic Gonorrhœa.

This new remedy contains neither Balsam Copaiva, Spirits of Nitre, Cubebs, Turpentine, or any other nauseous drugs, but is an elegant vegetable liquid, pleasant to the taste and smell, greatful to the stomach, cooling, cleansing and healing in its operation and speedily allaying all heat and irritation in the urinary passages. You, therefore, who have been swallowing down *Balsam Copaiva*, either in capsules or mixtures for months in succession, until with pale face and disordered stomach your breath and clothes are filled with its vile odor; throw away the disgusting mixtures, and send for a bottle of this *New Remedy*, which will not only cure you *at once*, but at the same time it will cleanse the system from the injurious effects of the various mixtures you have been taking so long.
☞ ONE BOTTLE, WHICH LASTS A WEEK, WILL OFTEN EFFECT A PERMANENT CURE.—Price $2,00.

Dr. Mattison's Sirop Anti-Syphilitique,
For Secondary, Tertiary and Hereditary Syphilis.

No remedy ever discovered has done what has been achieved by this. Under its use every form of constitutional syphilitic taint is speedily cured, and in a few weeks the subtle poison is completely eradicated from the system, and health and strength are permanently restored.
☞ *It was this remedy that cured in a few weeks a gentleman from the South, then stopping at Newport, and for which he presented Dr. M with $450 besides his bill, after having been under the treatment of the most eminent physicians in Baltimore, Philadelphia and New York for* FIVE YEARS.
One bottle, which lasts a month, will often effect a perfect cure. Price, $10; half size, $5.

Dr. Mattison's Nerve Invigorator.
For Nervous Debility, Loss of Power, Impotency, Confusion of Thought, Loss of Memory, Irritable Temper, Gloomy Apprehensions, Despondency and Melancholy, which may end in Loss of Reason.

This new remedy for that fearful train of mental and physical evils arising from venereal excesses, and secret habits of the young, is composed of the most soothing, strengthening and invigorating medicines to be found in the whole Vegetable Kingdom, which, in combination, form the most perfect Antidote for this obstinate and distressing class of maladies ever yet discovered.— It has now been sent to nearly every State in the Union, relieving the untold sufferings of hundreds who have never seen the inventor, restoring them to comparative health, strength and happiness. *Prices*—Quart bottle, which last a month, $10; half size, $5.

[illegible] GREAT REMEDIES are the result of over twenty years' study and practice, and as now prepared they are known to be the *very best* for their respective purposes, and I am therefore induced to make them public for the mutual benefit of myself and the sick, who otherwise could never avail themselves of their benefits. They are all warranted as represented, in every respect, or the *price will be refunded*.
☞ Prepared and sold ONLY at DR. MATTISON'S REMEDIAL INSTITUTE FOR SPECIAL DISEASES rear No. 28 Union street, Providence, R. I., and sent by express, *secure from observation*, to all parts of the United States.

A WORD OF CAUTION.

☞ It has been estimated that over *Two Hundred Thousand Dollars* are paid to swindling quacks annually in New England alone; and that, too, without *any benefit* to those who pay it. All this comes from trusting, *without inquiry*, to men who are alike destitute of honor, character or skill, and whose *only* recommendation is *their own* false and extravagant *assertions*, in praise of *themselves*. The only way to avoid imposition, is to take no man's word, *no matter what* his *pretensions are*, but MAKE INQUIRY It will cost you nothing, and may save you many regrets; for, as advertising physicians in nine cases out of ten are *bogus*, there is no safety in trusting *any of them* unless you know *who* and *what* they are.

Dr. M. will send *free*, by enclosing one stamp as above, a Pamphlet on DISEASES OF WOMEN, and on *Private Diseases* generally; giving full information, with *the most undoubted references and testimonials* without which no advertising physician, or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.
☞ Orders by mail promptly attended to. Write your address plainly, and direct to DR. MATTISON, as above. d18-ly

NOTICE.—We are daily receiving orders to send by mail some one or more of Dr Hurd's Dental Remedies, which we cannot fill.— None are mailable except the *Neuralgia Plaster*, which we send in an envelope on receipt of Price (15 cents) and one stamp— But to accommodate persons in places where the druggists and store keepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of *Dr. Hurd's Mouth Wash*, and *Tooth Ache Drops*, a box of *Tooth Powder*, the *Neuralgia Plaster*, and a valuable little Treatise on *Teeth and their Diseases, the best means of preserving them, and the proper treatment of Children's Teeth*, (worth of itself the entire cost to every young man or woman, or parents with young children;) with sundry other necessary articles; price per package, *one dollar*, or six packages for $5 sent by express as directed. As the express charges are not much, if any, more on a dozen than on one, it is far cheaper to order six or a dozen packages at one time. A large family will want all, or the surplus can be disposed of to neighbors with public benefit, for no one can estimate how much pain, suffering, unhappiness, and disfigurement, expense, loss of time and money would be saved to the country if every family to-day had one of these packages, which, in itself, is a complete set of Dental Remedies. Address WM. B. HURD & Co., Tribune Buildings, New York, and write name and address plainly. That remittances may be made with confidence. W. B. H. & Co. refer to the Mayor of Brooklyn, to G. W. GRIFFITH President of the Farmers and Citizen's Bank, Brooklyn; to the Editor of the American Manufacturers' Gazette; to Joy, Coe & Co., Publishers' Agents, New York; to P. T. BARNUM Esq., who knows a good thing when he sees it and who has already ordered a second supply, etc.

1000 Agents Wanted,
To introduce Dr. Hurd's Dental Remedies into every County. Men or women who want to make money quickly, can do better with these articles than anything in market. They are new, useful, low priced, and we are spending thousands in advertising them for the benefit of agents. Boxes of samples, containing a dozen of the one dollar packages above specified, with circulars will be sent on receipt of *seven dollars*, about half price, to any person wishing to test his or her skill in selling with the view of becoming an agent. They can be sold in a day.—
☞ *We would rather pay salaries than Commissions to those who prove themselves efficient salesmen.*
☞ Now is the time to go into the business. For address and references see above.

DOINGS OF THE GALE.

NEW YORK, Feb. 25.

The gale last night was very severe. Several vessels in the harbor dragged their anchors, but no serious damage occurred. All western telegraphic communication is still cut off, but it is expected that the wires will be in working order by noon.

SERIOUS CASUALITIES.

Five two-story buildings were blown down in Brooklyn, also two steeples on the Rev. Mr. Farley's Church. A portion of the roof of the Brooklyn City Hospital was blown away. Signboards, awnings, and other loose appendages were very promiscuously scattered about.

SHIP ISLAND DATES.

The steamship Constitution brings Ship Island dates to the 18th. Everything was quiet then. The troops are in good health. The Frigate Niagara, Gunboat Kanawha, and sloop-of-war Hartford had arrived there.

JEFF. DAVIS'S
Inaugural Address.

NEW YORK, Feb. 25.

The Richmond Examiner of the 22d has Jeff. Davis's Inaugural, in which that traitor says:

"Whatever of hope some may have entertained that a returning sense of Justice would remove the danger with which our rights were threatened, and render it possible to preserve the union of the Constitution must have been dispelled by the malignity and barbarity of the Northern States, in the prosecution of the existing war.

"The confidence of the most hopeful among us must have been destroyed by the disregard they have recently exhibited for all the time honored works of civil and religious liberty.

"Bastiles with prisoners arrested without civil process or indictment, duly abound.

"The writ of Habeas Corpus put aside by the Executive Mandate. A State Legislature controlled by the imprisonment of numbers whose avowed principles suggested to the Federal Executive that their might be another added to the Seceded States.

"Elections held under threat of military power. Civil officers, peaceful citizens and gentlemen incarcerated for opinions sake, proclaimed the incapacity of our late associates to administer a government as free liberal and humane as that established for our common use.

"He then points to their Constitution and show that there has been no act on their part to improve personal liberty, or freedom of speech or of the press.

The first year in our history has been the most eventful in the annals of this Continent. A new government has been established and its machinery put in motion over an area exceeding 70,000 square miles. The great principles upon which we have been willing to hazard everything that is dear to man, have made conquests which could never have been achieved by the sword. Our Confederacy has grown from six to thirteen states and Maryland already united to us by hallowed memories and material interests, will I belitve when able to speak with unstifled voice commit her destiny with the South.

"Our people have rallied with unexampled unanimity to the subject of the great principals of constitutional government with the firm resolve to perpetuate by arms the right which they could not peaceibly secure. A million of men it is estimated are in hostile array, waging war along a frontier of a thousand of miles.

"Battles have been fought sieges have been conducted and although the contest is not ended, and the tide for the moment is against us, the final result in our favor is not doubtful.

"The period is near at hand when our foes must sink under the immense load of debt which they have incurred. We too have had our trials and difficulties; that we are to escape them in future is not to be hoped.

"When we entered upon this war that it would expose our people to sacrefices and cost them much, both of money and blood, but we know the value of object for which we struggled and understood the nature of the war in which we are engaged.

"Nothing could be so bad as failure and any sacrifice would be cheap as the price of success in such a contest. Nor have the material sacrifices of the past year been made without some corresponding benefit. When the acquiesence of foreign nations in a pretended blockade has deprived us of our commerce with them, it is fast making us a self supporting and independent people.

"The Blockade if effectual and permanent will only serve to divert our industry from the production of articles for export and employ it for supplying articles of domestic use.

"It is a satisfaction that we have maintained the war by our unaided exertions. We have neither asked nor received assistance from any quarter yet. The interest involved is not wholly our own. The world at large is concerned in opening our markets, to its commerce.

"When the independence of the Confederate States is recognized by the Nations of the earth and we are free to follow our interests and inclinations by cultivating foreign trade, the Southern States will offer to manufacturing nations the most favorable markets which ever invited their commerce, Cotton, Sugar, Rice, Tobacco, provisions, Timber and Naval stores will furnish attractive changes nor would the constancy of these supplies be likely to be disturbed by war.

"Our confederate strength will be too great to attempt aggression, and never was there a people whose interests and principles committed them so fully to a peaceful policy as these of the Confederate States. War of conquest cannot wage between, the constitution of the confederacy admits of no coercive association. Civil war there cannot be between States held together by their volation only. This rule of voluntary associations which cannot fail to be secured by securing just, and impartial government at home does not diminish the security of obligations by which the Confederate States may be bound to foreign nations. In proof of this it is to be remembered that at the first moment of asserting their rights of secession, these States proposed a settlement on the basis of common liability for the obligations of the general government.

At the darkest hours of our struggle the Provisional gives place to the Permanent Government. After a series of successes and victories which covered our arms with glory, we have recently met with serious disasters, but in the heart of a people resolved to be free, these disasters tend but to stimulate to increased resistance.

"Davis then urges emulation of the heroic devotion of the Revolution, and closes by an appeal to the Almighty."

The ceremony took place at the foot of the Washington Monument.

By the Constitution from Ship Island we learn that the British Steamer Sabnan; while being loaded with cotton from a steamer with the Rebel flag flying in the Rio Grande River was taken prize by the Sloop of War Portsmouth, she had about half a cargo of cotton on board and previously landed a cargo of blankets and ordnance stores at Matamora.

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS,
NEWPORT S. S.
CLERK'S OFFICE, SUPREME COURT, Newport, January 28th, A. D. 1862.

WHEREAS, Philip B Bourn of Bristol in the County of Bristol and State aforesaid, Housewright, hath filed his Petition in said Office of said Court, of this present date in which he represents that Thomas L. Robinson of Boston in the County of Suffolk and State of Massachusetts, manufacturer, was on the 7th day of December, 1861, justly indebted to the said Philip B. Bourn in the sum of ($226,04) Two hundred twenty-six 04-100 Dollars, according to the account filed, That said indebtedness of said Thomas L. Robinson to the said Petitioner arose from certain work, labor, skill, done and performed, and materials furnished by said Petitioner as a Housewright, for said Thomas L. Robinson at his request in and about building a certain building called a Factory, and one other certain building called a Counting House on a certain parcel of land situate in Portsmouth in said County, being the Eastern corner of the farm of Alfred Clarke Chase, bounded Northerly on land of Benjamin F. Chase, Westerly and Northerly on land of said Alfred Clarke Chase, and Easterly on the East River, so called, and containg two acres of Land; and that said Petitioner performed said work and within six months from the time he commenced the said work and labor he filed and lodged an account with notice that he claimed a lien upon the before described property in the Town Clerk's Office in said Town of Portsmouth, where the said land and buildings were and are situated, and with notice to whose estate and interest therein the said lien refers which said copy of the said account and the said notice was received in the said Office, and there duly filed and recorded on the 25th day of January, 186 , at 4 o'clock, P. M., as appears by a copy of said account, and the certificate thereon herewith filed. Wherefore said Petitioner prays that said lien may be enforced upon the interest of the said Thomas L. Robinson in the before described estate. Whereupon he prays that the interest of the said Thomas L. Robinson in the before described estate may be sold to satisfy his said account and all other accounts and demands for which the said interest in the said estate is pledged and liable under the provision of the 160th Chapter of the Revised Statutes of this State.

Therefore, Notice is hereby given to all persons having a lien by virtue of said Act, or a mortgage, or an attachment, or any other claim on all or any part of the said property to appear before said Court at the next Term thereof, to be holden at Newport within and for the County of Newport, on the third Monday of February, A. D. 1862, and make out their demands against the same.

PROF. L. MILLER'S

HAIR INVIGORATOR,

AN EFFECTIVE, SAFE AND ECONOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color, without dyeing, and preventing Hair from turning gray.
FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or recuperative energy remaining.
FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.
FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy making it soft and silky in its texture and causing it to curl readily.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest respectability. It will effectually prevent the hair from turning gray until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to its original hue, giving it a dark, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being

ONLY TWENTY-FIVE CENTS

per bottle, to be had at all respectable druggists and perfumers.

L. MILLER would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the children's Hair inclines to be weak. The use of it lays the foundation for a *good head of hair*, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the future appearance of its Hair.

CAUTION.—None genuine without the fac simile LOUIS MILLER being on the outer wrapper, also, L. MILLER'S INVIGORATOR, N. Y. blown in the glass.

Spermatorrhea or Seminal Weakness, and Genital Irritability in either Sex.

This Malady, the *terrible consequences* of which are too well known to require more than a bare allusion to them, is one of the most insidious, and therefore dangerous, of all the long catalogue of human ills. SOMETHING MORE VALUABLE THAN SILVER OR GOLD,

BECAUSE

IT WILL RESTORE THE WEAK, REINSTATE THE BLOOD IN ALL ITS ORIGINAL PURITY AND VIGOR.

It is

PROF. O. J. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR:

Is precisely what its name indicates, for while pleasant to the taste, it is revivifying, exhilarating and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form so as to be within the reach of all.

So chemically and skillfully combined as to be the most powerful tonic, and yet so perfectly adapted *so as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach* and tone up the digestive organs, and allay all nervous and other irritation. It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits.—It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. As a sure preventive and cure of

CONSUMPTION, BRONCHITIS, INDIGESTION, DYSPEPSIA, LOSS OF APPETITE, FAINTNESS, NERVOUS IRRITABILITY, NEURALGIA, PALPITATION OF THE HEART, MELANCHOLY, HYPOCHONDRIA, NIGHT SWEATS, LANGUOR, GIDDINESS, AND ALL THAT CLASS OF CASES SO FEARFULLY FATAL, CALLED FEMALE WEAKNESSES AND IRREGULARITIES,

THERE IS NOTHING ITS EQUAL.

Also, Liver Derangements or Torpidity, and Liver Complaints, Diseases of the Kidneys, or any general derangement of the Urinary Organs.

It will not only cure the debility following CHILLS and FEVER, but prevent all attacks arising from miasmatic influences, and cure the diseases at once, if already attacked.

TRAVELERS should have a bottle with them, as it will infallibly prevent any deleterious consequences following upon change of climate and water.

As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits.

LADIES not accustomed to much out door exercise should always use it.

MOTHERS should use it, for it is a perfect relief, taken a month or two before the final trial, she will pass the dreadful period with perfect ease and safety!

There is no mistake about it!!

THE CORDIAL IS ALL WE CLAIM FOR IT!! MOTHERS TRY IT!!

And to you we appeal, to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former from false delicacy, often go down to a premature grave, rather than let their condition be known in time, the latter are often so mixed up with the excitement of business, that if it were not for you, they, too, would travel in the same downward path until it is too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never-failing affection will unerringly point you to PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR as the remedy which should be always on hand in time of need.

O. J. WOOD, proprietor, No. 444 Broadway, New York, and No. 114 Market Street, St. Louis, Mo., and sold by all good druggists. Price one dollar per bottle.

Read what the Press say, after thoroughly testing the matter, and no one can have a doubt.

Prof. WOOD'S Restorative Cordial and Blood Renovator is a genuine medicine of real merit, pleasant to the taste and invigorating to the system. While it purifies the blood and soothes the nervous irritation, it aids the organs of digestion to perform their functions, and resist the assault of disease. It is a chemical compound so skilfully combined that while it exhilarates it does not excite. A tonic, composed exclusively of vegetable matter it is absolutely beneficial and no ill effects can possibly accompany its use. It is an infallible and speedy remedy for Loss of Appetite, Faintness, Nervous Debility, Neuralgia, Palpitation of the Heart, Falling of the Womb, and other delicate diseases to which woman is subject. For Sickness of the Stomach, Bilious Attacks, Liver Complaints, Costiveness, Dyspepsia, Consumption and a host evils flesh is heir to, it is a certain cure.—*St. Louis Morning Herald.*

PROF. WOOD'S RESTORATIVE CORDIAL.—It is recorded in the Classics that Pysche was once sent to a climate warmer than the West Indies, to procure a sample of the beauty of Prosperine in a box. After some delay the messenger returned, and as soon as the lid of the box was removed, out flew all the ills that flesh is heir to. Fortunately hope was found in the bottom of the box. Prof. WOOD'S Restorative Cordial revives the recollection of the story, for it invigorates the blood, aids the organs of digestion, imparts strength to the nervous system, and fortifies the citadel of health, so as to bid defiance to the assaults of disease. It is a healthy tonic, composed entirely of vegetable productions, and while it is exhilarating as pure wine, no injurious results can possibly follow its use. It is a desideratum in the medical world, and those who are afflicted with loss of appetite, Dyspepsia, Consumption, Faintness, Giddiness, Neuralgia, Palpitation of the Heart, &c., will find here an infallible panacea.—*St. Louis Daily Express.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR is, without doubt the best tonic Cordial in the world. To those who are suffering from General Debility, we would recommend its use, for it is pleasant to the taste, is strengthening to the system, and will at once tend to remove all impurities of the blood, and eradicate all traces of disease. It can be taken by the weakest stomach, while those in good health will at once feel its exhilarating power. We are confident that after using one bottle of this Cordial none will be [illegible] for a day without it.—*New York Leader.*

A PURE, HEALTHY TONIC, and one free from the deleterious and injurious effects sure to follow those in ordinary use, has long been felt to be a desideratum in the medical world. Such a tonic, and one so skillfully combined from the vegetable kingdom as to act in perfect accordance with the laws of nature, and thus sooth the weakest stomach, and at the same time allay nervous and other irritations, and tone up all the organs of which the human body is composed, is offered in Prof. WOOD'S Restorative Cordial and Blood Renovator. Hence, it is perfectly adapted to old and young. Reader, try it. Thousands have already done so, and the testimony is universal in its favor.—*New-York Atlas.*

PROF. WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR, for the cure of General Debility, or Weakness arising from any cause; also, Dyspepsia, Nervousness, Night Sweats, Incipient Consumption, Liver Complaints, Biliousness, Loss of Appetite, Female Weakness in all stages; also to prevent the contraction of disease, is certainly the best and most agreeable Cordial tonic and Renovator ever offered to the afflicted, and so chemically combined as to be the most powerful tonic ever known to medical science. Reader, try it. *It will do you good.* We have no hesitation in recommending it, since we know it to be a *safe, pleasant and sure* remedy for the diseases enumerated.—*New York Dispatch.*

ECONOMY IS WEALTH!

CURE YOUR COUGH FOR ONE DIME.

The BEST and CHEAPEST Household REMEDY in the World,

Madame ZADOC PORTER'S

Great Cough Remedy.

MADAME ZADOC PORTER'S Curative Balsam is warranted if used according to the directions, to cure in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

MADAME ZADOC PORTER'S Balsam is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords. Its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood, through the lungs. It is not a violent remedy, but emollient,—warming, searching and effective; can be taken by the oldest person or youngest child.

MADAME ZADOC PORTER'S Balsam has been used by the public for over 18 years, and has acquired its present sale simply by being recommended by those who have used it, to their afflicted friends and others.

MOST IMPORTANT.—MADAME ZADOC PORTER'S CURATIVE BALSAM is sold at a price which brings it in the reach of every one to keep it convenient for use. The timely use of a single bottle will prove to be worth 100 times its cost.

NOTICE.—SAVE YOUR MONEY!—Do not be persuaded to purchase articles which do not contain the virtues of a Bottle of Madame Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine; and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customers insist upon having Madame Porter's and none other. Ask for Madame Porter's Curative Balsam, price 10 cts., and in large bottles at 20 cts., and take no other. If you cannot get it at one store you can at another.

☞ Sold by all Druggists and Store-keepers at 10 cts. and in larger bottles at 20 cts.

The *entire* press of the country has bestowed upon this work *unanimously* the highest encomiums. The Louisville Journal of October 8th, 1861, says of it:—

"It is a work of the highest merit. In fullness, completeness, accuracy, and logical as well as chronological dependence, it leaves nothing to be desired. We reckon the value of this work above price. It meets suitably the great literary demand of the hour. *It is a work the lack of which would prove with posterity a cause of special reproach to our day and generation. Let everybody subscribe for it.*"

This work should be in every loyal family; it is a necessity for present information; and in future days will be read with interest by children and grandchildren, as a memorial of the present most important era of our National History.

Vol. 2 will be issued in May, and Vol. 3 in September, 1862. But the work is continued also, as heretofore, in weekly parts at 10 cents, and monthly parts at 40 cents. For sale at all the book stores and news depots. Orders to be directed to
